

Citizens Meeting Minutes
May 4, 2021

Those in attendance: Don Matthews, Mike Hittner, Larry Knutson, Joe Greco, Tina Krummel, Bonnie Wolslegel, Dawn Baker, Paula Klevene, Joni Wolf and Johann Huilman.

Meeting was called to order at 6:25 p.m.

Pioneer Fest:

- Posters for Pioneer Festival were passed out.
- Food is mentioned as being available.
- Jeff Stewart can't take care of the gate this year for the Pioneer Festival, so we will only have 1 gate this year.
- Paula was asked about the Schoolhouse. Doreen cannot do it this year. Barb can help and one can be in the school and one in the garden. Bev has also come on board. Joy Berg or Wendy might be able to help. Mike suggested calling Lori Tenpas as he understands that she is retired or semi-retired. We could separate the visitors from the interpreter with ropes for health reasons in the schoolhouse if needed.
- Larry will be in the bunkhouse.
- Skip will be in the barn - no animals. Horses from Jeremiah's Crossing was suggested. However, there are issues with the setup with the barn and insurance issues.
- Joe will be in the cabin.
- There will be no ice cream this year.
- Don will be in the 3-bay.
- Ken will be in the blacksmith shop (?).
- A reduced food menu has been discussed. We want to find the native American that can do frybread. Peggy Wettstein should know who this is.
- "Goodies" (sweets) are needed given by donation. An email will go out for this.
- The line at Stevens Point Brewery for Root Beer, etc is down. Will call around Memorial Day to see if we can get bottles from them. If not, we will have to do something else this year.
- There will not be a cooking contest this year but people will be invited to have a pot luck on Saturday night for supper. 18 vendors are coming, 12 are camping.
- If the Master Gardeners come, they do not have to dress in costume.
- The well was "bleached" on Sunday. Discussion was held about how to proceed from there.

Meeting adjourned at 6:45 p.m.
